131 different seniors used the Senior Center in the month of January and participated in 887 different activities. January and February are typically quiet months at the Senior Center due to the weather, illness, and traveling out of state. (If we include people 40 and over, the numbers increase to 139 people with 916 activities.)

Community education includes: book club, meetings, talks

Congregate meals: lunch

Fitness: yoga, chair yoga, and Senior Exercise

Food: bread pick up

Health Screening: blood pressures, Elder Keep Well Clinic, SHINE

Information sharing: computers, information gathering

Recreation: using the library, piano and singing, van shopping trip

Social: bridge, coffee, daily card game, game day, pool, puzzles, Wii

The transition to the swipe card system has gone very smoothly. No one has expressed any negativity, as the system is very easy to use. We are still signing up people, as we give them a card when they come in.
